

# LATIN

## IN THE CATHEDRAL

Have you always wanted to learn Latin? Do you want to look at this fascinating language in a fun and stress-free environment?

We are offering an 8-week introduction to Latin, with a sprinkling of mythology and civilisation and a look at word derivation and linguistic links along the way.

The course is open to complete beginners or those with little previous knowledge. Come along and have a go at this most rewarding of languages.
