ELY CATHEDRAL SCIENCE FESTIVAL

FROM DINOSAURS TO DNA

This festival aims to open up the world of science and the natural world to new and diverse audiences.

Science and technology will be celebrated through art and music, exhibitions and activities.

19 May – 18 June 2017

For further information please visit www.elycathedral.org

 twitter.com/ely_cathedral

The inaugural Science Festival at Ely Cathedral aims to open up the exciting world of science to new and diverse audiences.

This extraordinary month long Festival will involve science shows, live experiments, prehistoric creatures and fascinating talks by leading experts.

Highlights include a lecture by Prof Robert Winston (pictured here), a dinosaur dig with a life size T REX, Silent Movie Nights, stunt scientist, Dr Bunhead (pictured below) and a Sci-Fi Prom featuring music from favourite composers and movies.

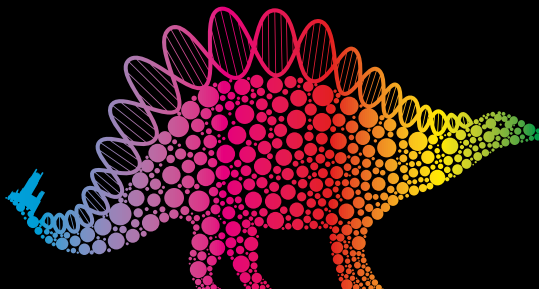

For the duration of the Festival a specialist exhibition will be on display in the Lady Chapel exploring the world of science from 'Dinosaurs to DNA'. The exhibits will provide a rare opportunity to see many national and local artefacts of great scientific significance including an original copy of Darwin's Origin of Species and over 2 metres of remains of a Late Jurassic Pliosaur discovered in the Cambridgeshire Fens in the 1950s.

The Cathedral will be adorned with science themed art work from over 500 local children and a specialist suspended installation by award winning contemporary artist Alex Carr. The Cambridge Science Centre's Pop Up 'COSMOS Roadshow' will be a permanent feature of the event.

Please visit the Cathedral website
or pick up a Science Festival programme
for full details and ticket information.

THE ENGLISH CATHEDRAL

42 photographs representing all 42 cathedrals of the Church of England are to be exhibited in The Lady Chapel at Ely Cathedral. This is only the second time these works have been displayed in one of the spaces featured in the series and the first time the project has been exhibited within the region.

11 February - 5 April

Madonna and Child... Flight

A magnificent sculpture by the artist Jill Sim is to be on display in the Lady Chapel. Jill is a large scale sculptor and the piece she will be exhibiting is called 'Madonna and Child... Flight'. This particular work, which will be shown alongside some paintings by the artist, is understood to be reflective of the refugee crisis and it is hoped it will help draw attention to the plight of refugees and to the work being done locally by the Ely Refugee Resettlement Campaign.
