

RENEW Ely Cathedral Environment Group

Terms of Reference

The Environment Group (hereafter known as RENEW) seeks to:

- Promote and support Ely Cathedral's Environment Policy both within and beyond the Cathedral Community.
- Work towards becoming an Eco Cathedral using A Rocha Eco Church Award Scheme as a framework.
- Within the context of the Christian faith promote broader environmental concerns and their links to the wider social justice agenda.
- Keep informed of developments in the Church of England's Environmental Programme and support this work locally.

The Group is made up of a:

Steering Committee A small steering Committee representing the worshipping congregations and the wider Cathedral community and chaired by the **Minister for Social Justice** will meet to co-ordinate the wider Group's activities, including work towards becoming an Eco Cathedral.

Wider Group This will meet to discuss ongoing actions, activities and initiatives and promote worship and prayer as part of RENEW's work. The group will be made up of people from the Cathedral Community/Congregation and may call upon expertise and advice from contacts in the wider community.

RENEW members will participate in the Environment Liaison Committee as the primary means of communicating with Chapter and Cathedral staff.
